

TREASURES IN JARS OF CLAY III

The God-Knowing Man

GOALS

1. Learn about the human personality.
2. Know how personality is eternal should we survive.

1. YOU ARE UNIQUE

What makes us unique from everyone else?

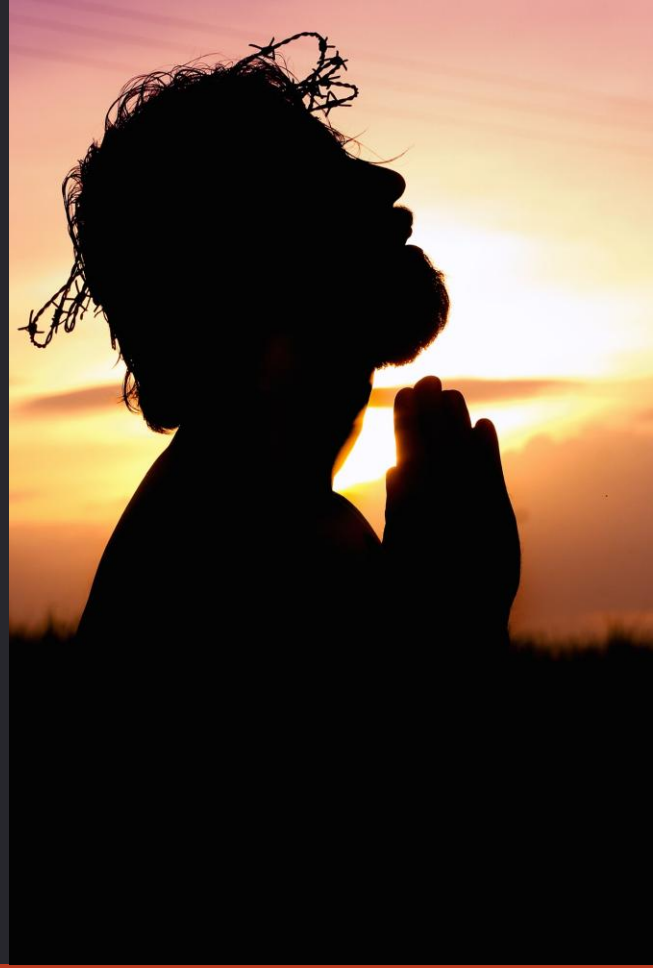

UNIQUE EXPERIENCE

We may all visit the same place, but we will each experience it differently.

UNIQUE BELIEFS

No two humans have the same religion; not even when they profess to be part of the same sect nor cult.

UNIQUE CREATIVITY

We are all born with creative talents,
but we each vary in our levels of
creativity.

UNIQUE GENETICS

No one is alike in genetics.

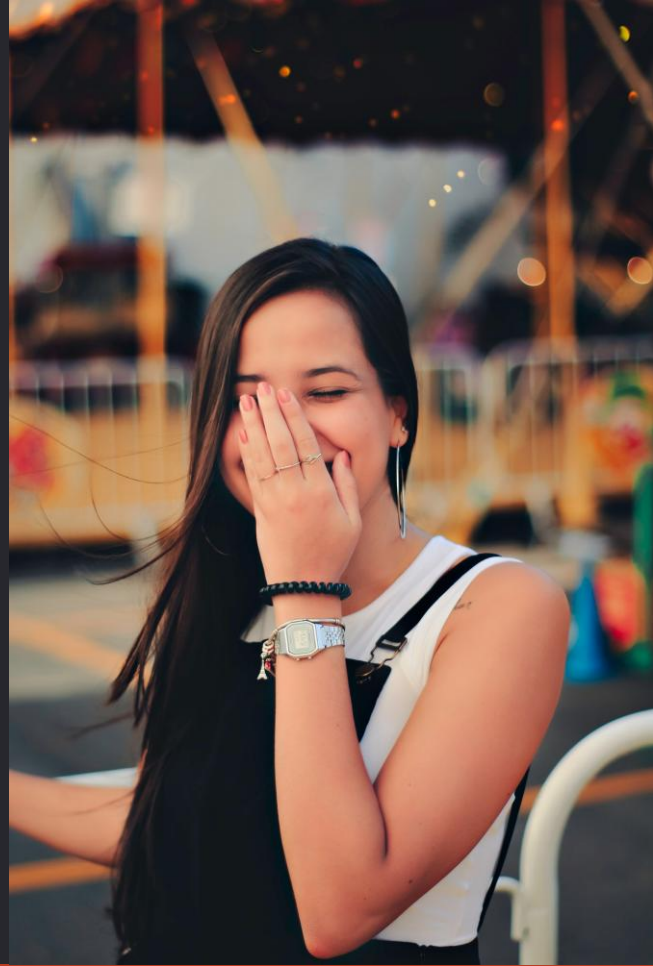

UNIQUE INTELLIGENCE

No two people are ever alike in intelligence and problem solving.

UNIQUE HUMOR

We all don't find the same things equally funny, and neither are we all equally humorous.

UNIQUE PERSONALITY

The combination of characteristics or qualities that form an individual's distinctive character, including all the above.

2. PERSONALITY IS UNIQUE

You have a unique personality

PERSONALITY IS UNIQUE

Your personality is very unique,
and it is what other people see
when they interact with you.

PERSONALITY IS UNIQUE

- God has innumerable sons scattered across the universe, yet he finds a way to dispense to each man a unique personality.
- The God-knowing man forms a personality which is unique not only in this life, but in the next.

The Father himself (not the Son nor Spirit) personally dispenses a unique personality to each man among his innumerable sons.

PERSONALITY

- No man comes into this world with an already made personality.
- Man develops personality as he evolves.
- To attribute your personality to the day you were born, or some other superstitious belief, not only harms you but also stagnates your spiritual growth.

WHEN IN DOUBT

When you are tempted to doubt how God is able to give each man a unique personality among his countless sons, remember that all snowflakes are hexagonal in shape but no two snowflakes are ever the same.

No two snowflakes are ever the same

3. SUMMARY

What have we learned?

SUMMARY

- The human personality uniquely identifies him.
- The Father personally administers a unique personality to all men.
- Our individual personalities are eternal should we survive.
